invitation

Honourable Colleagues,

Greetings!

The Local Organising Committee (EIZOCON 2023) and members of Hazaribag Ophthalmic Forum cordially invite you to the 36th Annual conference of Eastern India Zonal Ophthalmological Congress which will be held at the state of art Swami Vivekananda Auditorium, Vinoba Bhawe University, Hazaribag, Jharkhand on 4th and 5th November, 2023.

Hazaribag known for its serene beauty and historic past will provide a perfect ambience for the two days Scientific extravaganza. It is well connected by rail and road with major cities of Eastern India. The nearest airport (Ranchi) is just 2 hrs drive from the venue. It is also one of the major tourist attractions of Jharkhand as it is surrounded by picturesque lakes, hills and a National Forest Reserve.

Ophthalmology is changing by leaps and bounds. The two days conference will provide the right prospect for skill transfer. Nothing better can be than these two days for scientific deliberations and exchanges. A number of faculties of National and international repute shall be there to appraise us of the latest in ophthalmology.

So, once again we earnestly request you to attend and make the conference a grand success. We will keep no stones unturned to make your stay comfortable and this event memorable.

With warm regards,
